## WELCOME TO KINGSBURG AS A BUSINESS OPPORTUNITY

To assist you in getting your business started, please use the following checklist of items that should be examined prior to opening your business. We hope that by reviewing this, we may better assist your efforts to get your business open in a timely manner.

- Is the location you have selected properly zoned for the type of business you propose? Is there a need for a formal public hearing to obtain City approval prior to the opening of your business?
- Have you checked to determine if the number of parking spaces on the site is adequate for your use?
- Have you obtained sign review and permanent signs? Have you checked municipal sign ordinance requirements regarding the use of temporary signs and advertising materials?
- Is your business in compliance with fire and building safety requirements?

Help yourself minimize the chance of any unknown “surprise” expenses in this process. We invite your questions about any of these subjects. Please contact the Building and Planning Department at (559) 897-5328 about any of the above mentioned items and we will do our best to help get your business started.
